

## YOUR VIRTUAL COLLABORATION BECOMES EFFECTIVE

Still, people doing business with people – also in the digital era

### FOCUS ON PEOPLE

You will master the challenges of the digital era together with Germinio and neXenio. Success is not just a question of technology! More than anything else, it is about changing people's mindset and the approach to collaborate intuitively and creatively for joint successes.

### YOUR TOOLS FOR EFFECTIVE TEAMWORK

Together we are providing you with the right tools, such as **neXboard**, an intuitive and secure Cloud Whiteboard, as well as the appropriate templates. With these tools and the **Germinio method**, the collaboration amongst your internal as well as external teams becomes effective. Thus, you are enabled to successfully follow through with your innovations and transformation.

### YOUR WAY TO BUSINESS SUCCESS

We support you at every step along the entire solution lifecycle with growth-oriented methods and up-to-date know-how: From design and planning to implementation and operations of your perfectly tailored solutions.

With the focus on constantly increasing your effectiveness, we always put your people, their power to innovate, and your corporate culture into the center of our joint measures and activities.
